We can help you and your family stay safe and warm by covering up to $1,140 of your heating bills — oil, gas, electric and others.

- If you qualify, we may pay up to $1,140 of your fuel bill this winter.
- If you are NOT living in state or federally subsidized housing, you may be eligible for assistance not only with heating bills but also with rent if heat is included.
- Check the chart to see if your yearly income falls at or below the level indicated.
- If you qualify for ABCD fuel assistance, we help pay your winter heating bill by working directly with vendors, and you can take advantage of many other services that are absolutely free.
- **IMPORTANT**: If you applied for Fuel Assistance last winter, you must return the application mailed to you to receive assistance this year.

This federally funded program serves income eligible, elderly and disabled residents in thousands of households every year.
