ABCD FIELD OF DREAMS

Fenway Park • June 27, 2022

Event Co-chairs: **Tom Caron**, sportscaster/anchor, NESN,
Lew Eisenberg, Partner, CEK Quincy, P.C.
& **Peter Damato**, CEO, Merchant Resource Group

Field of Dreams got its start in 1999 when the Boston Red Sox generously opened fabled Fenway Park to ABCD so that everyday dreamers could swing big at the plate, dart around the bases, and dive for a line drive on the storied field – for a great cause.

Businesses, service organizations, and groups of friends suit up to play the game of their lives – for the good of Boston's underserved young people, teens who face the harshest social and economic barriers and who have all the potential in the world.

Event proceeds support ABCD SummerWorks, a youth development program that provides a paid job, career development, and mentoring and helps under-resourced young people build a better future.

OVERCOMING CHALLENGES ON THE ROAD TO SUCCESS

In 2021, with the COVID-19 pandemic continuing to demand adaptation and agility, ABCD SummerWorks ran a hybrid model: some youth completed projects from home while others worked at employer sites.

HIGHLIGHTS

We employed 396 youth.

33% were selected from communities with high rates of youth violence. 100% completed the program.

238 Youth Worked Remotely

They completed Youth Works Project Based Learnings modules in the following subjects:

- Social Media
- Entrepreneurship
- Classroom Art & Design
- Self Care & Wellness

Or they completed courses using the Coursera platform including:

- Entrepreneurial Thinking
- Finance
- Leadership
- Food & Beverage Management

158 Youth Worked at Employer Sites

They were employed by prominent, mission-driven organizations such as the YMCA, Salvation Army, and Mothers for Justice and Equality, and held a range of positions including:

- Youth Organizer
- Assistant Group Leader
- Administrative Assistant

IN THEIR OWN WORDS

The following youth reflections make it clear that SummerWorks is more than just a job:

“Being my first work experience, I took this very seriously. I completed a Coursera course called The Science of Well-Being. I was really nervous presenting, but after I was done, I felt like it was a success. The presentation really helped me with my shyness. – Adan, 14

“I worked at the YMCA where I supervised the kids with creative writing and on field trips, including a cruise in Boston Harbor. I really enjoyed the different SummerWorks workshops, especially the one that helped me understand banking and saving. – Tatiyana, 14
