

ABCD URBAN TECHNOLOGY TRAINING
EARN A GOOGLE IT
SUPPORT CERTIFICATE

Interested in a career as an Information Technology Support Specialist? It's a growing field, and we can help you be part of it—**at no cost to you**. And no experience or degree required.

Through our partnership with **Jobs for the Future (JFF - jff.org)**, *ABCD's Urban Technology Training* program provides training and preparation for a Google IT Support Professional Certificate.

At under 10 hours/week, learn at your own pace and finish in six months or less. We'll provide placement support for a competitively-paid entry-level job.

WHO QUALIFIES?

- Income-eligible residents of Boston, Cambridge, Chelsea, Everett, Malden, Medford, Revere or Somerville. (Your household income must be at or below 200% federal poverty level. Visit bostonabcd.org/incomeguidelines for more details)
- Age 18+
- High school diploma, HISET or GED
