ENERGY ASSISTANCE

Our Energy Assistance programs provide financial support through the federal Low Income Home Energy Assistance Program (LIHEAP), which can lower your heating bills, and utility partner programs that can reduce your gas and electricity costs.

FUEL ASSISTANCE (LIHEAP)

781.322.6284 (Mystic Valley)

bostonabcd.org/heat

UTILITY BILL ADVOCACY

CLIMATE EQUITY & IMPACT | bostonabcd.org/cei

CE&I provides clean, green, energy-efficient systems for income-eligible homes and multi-family apartment buildings and complexes statewide – at no cost. CONSERVATION

ABCD can often lower electric bills with no cost instant savings measures like energy efficient light bulbs, water conservation measures and possibly upgraded appliances like a new refrigerator, freezer, air conditioner, dehumidifier or front-loading washing machine.

HEATING, VENTILATION AND AIR CONDITIONING (HVAC)

We scope, design, contract and oversee the installation at no cost to both owners and renters. ASHP technology provides heating on the coldest days, air conditioning on the hottest days, and helps our clients reduce their greenhouse gas emissions and carbon footprint.
